Status	Approved
Bank Risk Rating	A
Voting Date	2021-03-25
Borrower	Government of India
Sectors	Infrastructure, Water and Sanitation
Investment Type(s)	Loan
Investment Amount (USD)	\$ 105.00 million
Project Cost (USD)	\$ 300.00 million

Project Description

According to the bank's documents, the proposed project aims "To strengthen the institutional and service delivery systems for solid waste management (SWM) in Kerala.

The project will support all 93 Urban Local Bodies (ULBs) across 14 districts in Kerala in improving access to efficient and reliable delivery of solid waste management (SWM) services to their populations. The project will include the following components:

Component A: Development of Regional SWM Facilities.

This component will comprise the development of prioritized regional waste processing and disposal facilities, including, but not limited to: (i) closure and remediation of polluted waste dumpsites; (ii) construction of regional sanitary landfills; and (iii) provision of facilities related to composting, resource recovery, and transfer stations.

Component B: Improvement of SWM Infrastructure in Participating ULBs.

This component will include improvements in local-level SWM service delivery systems of the participating ULBs focusing mainly on: (i) primary waste collection and transportation; (ii) source segregation and treatment at decentralized level; (iii) rehabilitation and/or development of resource recovery facilities; (iv) development of biodegradable waste management facilities; and (v) development of disposal cells as interim disposal facilities.

Component C: Institutional Development, Capacity Building and Project Management Support.

This component covers technical assistance and capacity building at state and local levels for: (i) undertaking SWM institutional, financial, and policy reforms; (ii) planning, designing, and implementing investment sub-projects for climate-smart and disaster resilient SWM infrastructure and service provision improvements; (iii) organizational development of participating ULBs for inclusive and sustainable SWM service delivery; and (iv) Increasing awareness of waste management, sanitization and public hygiene, gender inclusion and stakeholder engagement."

Investment Description

- Asian Infrastructure Investment Bank (AIIB)

Co-financing:

World Bank US\$ 105 million

Govt of Kerala US\$ 90 million

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.aiib.org/en/contact/information-request/index.html>

ACCOUNTABILITY MECHANISM OF AIIB

The AIIB has established the Accountability Mechanism for Project-Affected People (PPM). The PPM provides an opportunity for an independent and impartial review of submissions from Project-affected people who believe they have been or are likely to be adversely affected by AIIB's failure to implement the ESP in situations when their concerns cannot be addressed satisfactorily through Project level GRMs or AIIB Management processes. Two or more project-affected people can file a complaint. Under the current AIIB policy, when the bank co-finances a project with another development bank, it may apply the other bank's standards. You can refer to the Project Summary Information document to find out which standards apply. You can learn more about the PPM and how to file a complaint at: <https://www.aiib.org/en/about-aiib/who-we-are/project-affected-peoples-mechanism/how-we-assist-you/index.html>

The complaint submission form can be accessed in Arabic, Bahasa Indonesia, Bengali, Chinese, English, Tagalog, Hindi, Nepali, Russian, Turkish, or Urdu. The submission form can be found at: <https://www.aiib.org/en/about-aiib/who-we-are/project-affected-peoples-mechanism/submission/index.html>
