| Loan Amount (USD) | \$ 200.00 million |

Project Description

According to the bank's website, the project aims to "improve the efficiency of the waterfront resource and support a sustainable and comprehensive Low-Carbon transport infrastructure along the Yangtze River and its tributary in Hunan province by promoting good practices of the green port concept." Also, "the work scope of terminal construction includes both hydraulic structures and land-side logistic infrastructure and ancillary equipment and facilities. The project will promote the Green Port concept and the Climate risk resilience and adaptation measures during the design and construction. The project will also provide technical assistance in Infratech components and institutional capacity building."

Investment Description

- Asian Infrastructure Investment Bank (AIIB)

Co-financing:

Government of China: USD 320 million

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.aiib.org/en/contact/information-request/index.html>

ACCOUNTABILITY MECHANISM OF AIIB

The AIIB has established the Accountability Mechanism for Project-Affected People (PPM). The PPM provides an opportunity for an independent and impartial review of submissions from Project-affected people who believe they have been or are likely to be adversely affected by AIIB's failure to implement the ESP in situations when their concerns cannot be addressed satisfactorily through Project level GRMs or AIIB Management processes. Two or more project-affected people can file a complaint. Under the current AIIB policy, when the bank co-finances a project with another development bank, it may apply the other bank's standards. You can refer to the Project Summary Information document to find out which standards apply. You can learn more about the PPM and how to file a complaint at: <https://www.aiib.org/en/about-aiib/who-we-are/project-affected-peoples-mechanism/how-we-assist-you/index.html>

The complaint submission form can be accessed in Arabic, Bahasa Indonesia, Bengali, Chinese, English, Tagalog, Hindi, Nepali, Russian, Turkish, or Urdu. The submission form can be found at: <https://www.aiib.org/en/about-aiib/who-we-are/project-affected-peoples-mechanism/submission/index.html>
