Indonesia : Indonesia Road Connectivity Improvement Program to Support Food Self Sufficiency

Project Description

According to bank's website, the proposed project aims to enhance domestic connectivity through the development of a climate resilient, safe and inclusive road network and improve the capacity of Ministry of Public Works and subnational entities to manage road assets. The Project will finance two key components:(i) Road Works and Supervision: Maintenance and improvement of selected national and subnational road corridors. These road corridors will be chosen to bolster Indonesia's food security. (ii) Institutional Capacity Building: Strengthening systems for road planning, quality assurance, and asset management at the national and subnational level.

ACCOUNTABILITY MECHANISM OF AIIB

The AIIB has established the Accountability Mechanism for Project-Affected People (PPM). The PPM provides Òan opportunity for an independent and impartial review of submissions from Project-affected people who believe they have been or are likely to be adversely affected by AIIBÕs failure to implement the ESP in situations when their concerns cannot be addressed satisfactorily through Project level GRMs or AIIB Management processes.Ó Two or more project-affected people can file a complaint. Under the current AIIB policy, when the bank co-finances a project with another development bank, it may apply the other bank's standards. You can refer to the Project Summary Information document to find out which standards apply. You can learn more about the PPM and how to file a complaint at: https://www.aiib.org/en/about-aiib/who-we-are/project-affected-peoples-mechanism/how-we-assist-you/index.html

The complaint submission form can be accessed in Arabic, Bahasa Indonesia, Bengali, Chinese, English, Tagalog, Hindi, Nepali, Russian, Turkish, or Urdu. The submission form can be found at: https://www.aiib.org/en/about-aiib/who-we-are/project-affected-peoples-mechanism/submission/index.html
