## **Project Description**

As stated by the CDB, the project will enhance the compliance of Grenada's fresh fruits and vegetables sub-sector with internationally recognised food safety management systems.

More specifically, the project will aid with collection, distribution and supply of fresh produce to packhouse facilities for pre-export and local retail, train the trainers at the Grenada

Bureau of Standards and the Government of Grenada to strengthen productive capacity and quality in the agri-food sector, reduce losses and increase revenue in the fresh produce sector.
