Borrower Government of Antigua and Barbuda

Sectors Construction, Humanitarian Response, Infrastructure

Project Cost (USD) \$ 34.52 million

Project Description

According to the CDB, the project will reconstruct a bridge and several roads; repair, retrofit and reconstruct several education facilities and teacher accommodation; construct a desalination plant and water storage tank; and rehabilitate and construct agricultural infrastructure. The project will also strengthen institutions for a redevelopment plan for Barbuda; build capacity of the Development Control Authority, support livelihoods in the micro, small and medium-sized enterprises sector; and provide psychosocial services.

Investment Description

• Caribbean Development Bank (CDB)
