---

## Project Description

As stated by the CDB, the project will deliver increased access to financial resources, facilitating private sector-driven investment in green, inclusive, and climate-resilient infrastructure across CDB's BMCs.

---

## Investment Description

- Caribbean Development Bank (CDB)

## Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

- [Corporacion Interamericana para el Financiamiento de Infraestructura SA](#) (Financial Intermediary)

## Private Actors Description

As stated on the company's website, Corporacion Interamericana para el Financiamiento de Infraestructura, S.A. is a non-banking financial entity established in 2001 and based in Panama, that advises and finances infrastructure projects in the private sector, focused on the middle market in Latin America and the Caribbean. The company's client portfolio is comprised of projects requiring a total investment of up to USD 200 M, and medium and large private companies.
