Project Description

According to the bank document, "The Project is the development, construction, commissioning and operation of a 75 MW wind farm in Indonesia. The Project expects to sell its electricity to PT Perusahaan Listrik Negara (Persero) pursuant to a 30-year power purchase agreement. The Project will be managed by UPC Renewables Group, a U.S.-based privately owned wind and solar energy company".

Investment Description

• US International Development Finance Corporation (DFC)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

• UPC Renewables Group (Financial Intermediary)

Private Actors Description

Project's US sponsor is UPC Solar and Wind Investments LLC, a Delaware limited liability company.
