## **Project Description**

According to the bank document, "OPIC will lend \$5 million to DAWN, a microfinance institution established by Accion, Triodos and FMO in September 2014. Clients of DAWN are mostly self-employed market vendors and smaller manufacturers, all of which are female. With an average disbursed loan size of around \$200 (which is expected to gradually increase), the OPIC loan is expected to reach around 20,000 borrowers once fully disbursed, and several multiples of that over the three-year life of the loan".
