Project Description

According to bank documents, OPIC will guaranty local currency loans by the Lenders to small and medium enterprises, microfinance institutions, non-banking financial institutions and other approved borrowers.

Investment Description

- US International Development Finance Corporation (DFC)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
