## Project Description

The Project involves a \$28 million increase in a previous DFC/OPIC investment guaranty to MFX Solutions, a U.S.-based organization that offers currency hedging services to micro, small and medium enterprise financial intermediaries. DFC/OPIC provided an initial guaranty of \$20 million to MFX in 2009.

According to DFC documents, projects involving currency hedging services to MSME financial intermediaries are screened as risk category D.

## Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
