Project Description

According to DFC documents:

This project involves a loan to Unreasonable Capital Fund I LP to expand their portfolio of investments in small and medium enterprises in Sub-Saharan Africa, Southeast Asia and Latin America. The Fund will provide equity or equity-like investments to early-stage SMEs in healthcare, education, energy, agriculture and financial inclusion sectors, and whose customers live on less than \$2 per day. The Fund anticipates making 15 to 20 equity investments ranging from \$50,000 to \$2 million in size.

This project has been screened as a risk category C.

Investment Description

- US International Development Finance Corporation (DFC)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
