Project Description

According to the bank website, the objetive of this project is a critical component of Senegal’s power generation and sustainable energy growth plan by adding 33MW of power onto the Senegalese grid. The Expansion Project will complement the adjacent and original 52.9MW combined-cycle thermal power plant currently under construction. Together the Expansion Project and the Existing Projects will operate on heavy fuel oil with an option to convert to natural gas, in Cap des Biches, approximately 27km from Dakar, Senegal.

Contact Information

No contact information provided at the time of disclosure.

ACCESS TO INFORMATION

Unlike many other development finance institutions, DFC does not currently have an access to information policy.

Under the United States Freedom of Information Act (FOIA), DFC is obliged to respond to reasonably formulated requests for Agency records. However, DFC may apply exemptions from release to certain types of information and may charge fees in responding to requests. DFC has a designated FOIA officer who is trained in how to respond to requests and implement the law. You can learn more about filing a FOIA request at: https://www.dfc.gov/foia

ACCOUNTABILITY MECHANISM OF THE UNITED STATES INTERNATIONAL DEVELOPMENT FINANCE CORPORATION (DFC)

The Office of Accountability is an independent office that addresses complaints about environmental or social issues related to DFC-supported projects. The office provides communities an opportunity to have concerns independently reviewed and addressed. If you submit a complaint to the Office of Accountability, it may assist you by either seeking to address your problems by facilitating a problem solving dialogue between you and those implementing the project and/or investigating whether the DFC complied with its policies to prevent environmental, social, human rights, and labor harms.

You can find more information about the Office of Accountability at: https://www.dfc.gov/who-we-are/office-accountability
