Project Description

According to the bank's documents, "...Grameen Impact India (“GII”), a Mumbai-based Non-Banking Finance Company, is providing loans to social enterprises in India that operate in the following sectors: financial services, affordable healthcare, affordable education, agriculture and clean energy. GII primarily makes senior loans between $500,000 and $1 million to these mature and growth stage companies that have a proven social mission and are focused on improving the quality of life for low-income populations across India.

Theproposed $5 millionloan from OPIC to GIIwill enable it to leverage its existing equity base and attract other potential domestic and international investors,therebyincreasing its lending operations."
