According to bank documents, the investment involves provision of a loan to Participating bank in the Tunisia Franchise & SME Loan Guaranty Facility.

Investment Description

- US International Development Finance Corporation (DFC)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
