Project Description

Description

Under this project DFC to is going to provide 14 625 million USD to Tengri Bank JSC, Kazakhstan. The Project will support the expansion of Tengri's lending activities in Kazakhstan, addressing significant unmet demand for medium-long term capital among SMEs. At least 25% of the loan proceeds will be used in support of SMEs that are majority owned or managed by women. The Project Company is also expected to hire over 75 employees as a result of the Project.

Project objectives

The Project is expected to have a highly developmental impact by expanding the availability of financing for small and medium enterprises ("SMEs") in Kazakhstan. The

Project expects to lead to substantial demonstration impacts through the implementation of products and services that are new or uncommon to Kazakhstan including:

- 1. Electronic banking services platform for customers of Tengri Bank and other banks,
- 2. Peer-to-peer, lending that enables individuals to utilize the Bank's platform to assess potential borrowers' creditworthiness and independently provide loans,
- 3. Online microlending service.
