Project Description

According to the bank's documents, "...The Facility is designed to address the capital needs of microbusinesses and SMEs operating in impact sectors such as sustainable agriculture, housing, education, water and sanitation and renewable energy, through local currency, revolving credit financing. This Facility aims to attract additional capital by demonstrating successful funding to growing businesses in impact sectors. With this focus on impact sectors, the Facility intends to support many women owned businesses, small holder farmers and low income borrowers."
