## Project Description

The Project is expected to have a highly developmental impact by expanding the Borrower's micro, small, and medium-enterprise ("MSME") portfolio, as well as creating jobs in rural communities. MSMEs play a crucial role in the Indian economy accounting for 29.8% of GDP. Yet, MSMEs often cannot access financing to make necessary capital expenditures to grow their business and increase productivity. Over 75% of the Project proceeds will be used to expand the Borrower's MSME loan portfolio.

### ACCOUNTABILITY MECHANISM OF THE UNITED STATES INTERNATIONAL DEVELOPMENT FINANCE CORPORATION (DFC)

The Office of Accountability is an independent office that addresses complaints about environmental or social issues related to DFC-supported projects. The office provides communities an opportunity to have concerns independently reviewed and addressed. If you submit a complaint to the Office of Accountability, it may assist you by either seeking to address your problems by facilitating a problem solving dialogue between you and those implementing the project and/or investigating whether the DFC complied with its policies to prevent environmental, social, human rights, and labor harms.

You can find more information about the Office of Accountability at: <https://www.dfc.gov/who-we-are/office-accountability>
