Project Description

As stated by the DFC, the technical assistance will increase the developmental impact of an existing DFC loan to Sanergy. Technical assistance will support distribution expansion of fertilizer and feed outputs to additional customers, including smallholder farmers; increase the waste-handling capacity of the existing DFC-financed processing facility; and develop additional products that can be sourced from the existing facility. Technical assistance also supports a feasibility study to analyze the expansion of Sanergy's operations in new markets in East Africa.

Investment Description

- US International Development Finance Corporation (DFC)

Private Actors Description

As stated on the company's website, The Sanergy Collaborative strives to solve the sanitation crisis through the power of the circular economy.

Among other things, they manufacture safe products, such as fertilizer, fuels, and animal feed, and offer professional waste collection services to remove waste from communities.

ACCESS TO INFORMATION

Unlike many other development finance institutions, DFC does not currently have an access to information policy.

Under the United States Freedom of Information Act (FOIA), DFC is obliged to respond to reasonably formulated requests for Agency records. However, DFC may apply exemptions from release to certain types of information and may charge fees in responding to requests. DFC has a designated FOIA officer who is trained in how to respond to requests and implement the law. You can learn more about filing a FOIA request at: <https://www.dfc.gov/foia>

ACCOUNTABILITY MECHANISM OF THE UNITED STATES INTERNATIONAL DEVELOPMENT FINANCE CORPORATION (DFC)

The Office of Accountability is an independent office that addresses complaints about environmental or social issues related to DFC-supported projects. The office provides communities an opportunity to have concerns independently reviewed and addressed. If you submit a complaint to the Office of Accountability, it may assist you by either seeking to address your problems by facilitating a problem solving dialogue between you and those implementing the project and/or investigating whether the DFC complied with its policies to prevent environmental, social, human rights, and labor harms.

You can find more information about the Office of Accountability at: <https://www.dfc.gov/who-we-are/office-accountability>
