Project Description

As stated by the DFC, this Project consists of a \$7.5 million direct loan to Plantform Agribusiness SAE, which will fund factory expansion and equipment purchases to help grow the capacity of Plantform's business operations. The loan is expected to help Plantform double export output of its agriprocessing capacity.

To concentrate on its core business of agriprocessing, in 2021 Plantform created a separate technology company called Mozare3, which focuses on supplying produce to Plantform, managing smallholder farmer engagements, and aggregation of the contract farming supply chain

Investment Description

- US International Development Finance Corporation (DFC)

Private Actors Description

As stated by the DFC, Plantform is a fully integrated Egyptian exporter of pickled, canned, and dehydrated vegetables sourcing from smallholder farmers, processing in its own facilities, and exporting to developed markets in the U.S. and Europe.

Plantform works with smallholder farmers across Egypt to fill a growing demand for export-certified agricultural goods.

ACCESS TO INFORMATION

Unlike many other development finance institutions, DFC does not currently have an access to information policy.

Under the United States Freedom of Information Act (FOIA), DFC is obliged to respond to reasonably formulated requests for Agency records. However, DFC may apply exemptions from release to certain types of information and may charge fees in responding to requests. DFC has a designated FOIA officer who is trained in how to respond to requests and implement the law. You can learn more about filing a FOIA request at: <https://www.dfc.gov/foia>

ACCOUNTABILITY MECHANISM OF THE UNITED STATES INTERNATIONAL DEVELOPMENT FINANCE CORPORATION (DFC)

The Office of Accountability is an independent office that addresses complaints about environmental or social issues related to DFC-supported projects. The office provides communities an opportunity to have concerns independently reviewed and addressed. If you submit a complaint to the Office of Accountability, it may assist you by either seeking to address your problems by facilitating a problem solving dialogue between you and those implementing the project and/or investigating whether the DFC complied with its policies to prevent environmental, social, human rights, and labor harms.

You can find more information about the Office of Accountability at: <https://www.dfc.gov/who-we-are/office-accountability>
