Borrower	Copenhagen Infrastructure Partners P/S
Sectors	Energy, Finance
Investment Type(s)	Equity
Loan Amount (USD)	\$ 50.00 million
Project Cost (USD)	\$ 3,000.00 million

Project Description

As stated by the DFC, the Fund - Copenhagen Infrastructure Growth Markets Fund II SCSp - will invest in the development and construction of renewable energy infrastructure, with a focus on large-scale wind and solar PV greenfield projects.

In response to these challenges, the Fund is expected to have a positive development impact in markets across Asia, Latin America, Africa, and Europe by providing much needed capital to greenfield renewable energy projects and platforms. The Fund Manager will build on its previous expertise to take primarily controlling stakes that allow for strategy and operating influence over its investments.

Investment Description

- US International Development Finance Corporation (DFC)

Information on the investment amount not provided at the time of disclosure.

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

- [COPENHAGEN INFRASTRUCTURE PARTNERS P/S](#) (Financial Intermediary)

Private Actors Description

As stated by Bloomberg, Copenhagen Infrastructure Partners P/S operates as an investment company. The Company invests in infrastructure and renewable energy companies. Copenhagen Infrastructure Partners serves customers globally.

Contact Information

No project contacts provided at the time of disclosure.

ACCESS TO INFORMATION

Unlike many other development finance institutions, DFC does not currently have an access to information policy.

Under the United States Freedom of Information Act (FOIA), DFC is obliged to respond to reasonably formulated requests for Agency records. However, DFC may apply exemptions from release to certain types of information and may charge fees in responding to requests. DFC has a designated FOIA officer who is trained in how to respond to requests and implement the law. You can learn more about filing a FOIA request at: <https://www.dfc.gov/foia>

ACCOUNTABILITY MECHANISM OF THE UNITED STATES INTERNATIONAL DEVELOPMENT FINANCE CORPORATION (DFC)

The Office of Accountability is an independent office that addresses complaints about environmental or social issues related to DFC-supported projects. The office provides communities an opportunity to have concerns independently reviewed and addressed. If you submit a complaint to the Office of Accountability, it may assist you by either seeking to address your problems by facilitating a problem solving dialogue between you and those implementing the project and/or investigating whether the DFC complied with its policies to prevent environmental, social, human rights, and labor harms.

You can find more information about the Office of Accountability at: <https://www.dfc.gov/who-we-are/office-accountability>
