Project Description

According to DFC,the Project will support the construction of three Material Recovery Facilities (MRFs) that will increase waste diversion, reduce pollution, and avoid GHG emissions. The Project will also support expanded livelihood opportunities, particularly for lowincome communities and women. Given the Project’s characteristics, it is characterized as Highly Impactful per DFC’s Impact Quotient (IQ).

Investment Description

- US International Development Finance Corporation (DFC)

$10,000,000 loan with an eight (8)-year tenor and 36-month grace period

Private Actors Description

Nepra is one of India’s largest dry waste management companies collecting, segregating, processing, and recycling municipal dry waste, including plastics. Nepra collects waste from informal waste collectors and institutional clients, sorts and processes the inputs at its Material Recovery Facilities (MRFs) and supplies high-quality recyclables to recyclers and manufacturers for reuse in the circular economy.

Contact Information

ACCESS TO INFORMATION

Unlike many other development finance institutions, DFC does not currently have an access to information policy.

Under the United States Freedom of Information Act (FOIA), DFC is obliged to respond to reasonably formulated requests for Agency records. However, DFC may apply exemptions from release to certain types of information and may charge fees in responding to requests. DFC has a designated FOIA officer who is trained in how to respond to requests and implement the law. You can learn more about filing a FOIA request at: https://www.dfc.gov/foia

ACCOUNTABILITY MECHANISM OF THE UNITED STATES INTERNATIONAL DEVELOPMENT FINANCE CORPORATION (DFC)

The Office of Accountability is an independent office that addresses complaints about environmental or social issues related to DFC-supported projects. The office provides communities an opportunity to have concerns independently reviewed and addressed. If you submit a complaint to the Office of Accountability, it may assist you by either seeking to address your problems by facilitating a problem solving dialogue between you and those implementing the project and/or investigating whether the DFC complied with its policies to prevent environmental, social, human rights, and labor harms.

You can find more information about the Office of Accountability at: https://www.dfc.gov/who-we-are/office-accountability
