Investment Type(s) Loan

Investment Amount (USD)\$ 7.50 millionProject Cost (USD)\$ 25.00 million

Project Description

According to the Bank's website, the fund invests in water, sanitation and plastic recycling SMEs globally, primarily in Africa. The Project is expected to have a positive development impact by directing capital and capacity-building to SMEs which are addressing water poverty, inadequate sanitation, and plastic waste, primarily in sub-Saharan Africa.

Early Warning System Project Analysis

DFC debt investments into Investment Funds who will support investments into SMEs are screened as a Financial Intermediary C (FI-C) for environmental and social assessment. These downstream investments are expected to result in minimal adverse environmental and social impacts. Therefore, all those downstream investments have been pre-screened as low risk and further review and consent is not required for these investments.

Investment Description

• US International Development Finance Corporation (DFC)

Private Actors Description

Contact Information

No contacts available at the time of disclosure.

ACCESS TO INFORMATION

Unlike many other development finance institutions, DFC does not currently have an access to information policy.

Under the United States Freedom of Information Act (FOIA), DFC is obliged to respond to reasonably formulated requests for Agency records. However, DFC may apply exemptions from release to certain types of information and may charge fees in responding to requests. DFC has a designated FOIA officer who is trained in how to respond to requests and implement the law. You can learn more about filing a FOIA request at: https://www.dfc.gov/foia

ACCOUNTABILITY MECHANISM OF THE UNITED STATES INTERNATIONAL DEVELOPMENT FINANCE CORPORATION (DFC)

The Office of Accountability is an independent office that addresses complaints about environmental or social issues related to DFC-supported projects. The office provides communities an opportunity to have concerns independently reviewed and addressed. If you submit a complaint to the Office of Accountability, it may assist you by either seeking to address your problems by facilitating a problem solving dialogue between you and those implementing the project and/or investigating whether the DFC complied with its policies to prevent environmental, social, human rights, and labor harms.

You can find more information about the Office of Accountability at: https://www.dfc.gov/who-we-are/office-accountability
