Project Description

The proceeds of the loan will be used to expand Banco Industrial, S.A.'s portfolio of loans to borrowers in Guatemala that are women-led and owned businesses and/or that are small-and-medium enterprises.

Investment Description

- US International Development Finance Corporation (DFC)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
