---

## **Project Description**

According to the Agency's document, this project provides financing to the borrower to be invested in growing, cash flow-positive businesses across Africa that operate in consumer-focused sectors that will benefit most from the continent's growing middle class. Sectors of focus include consumer goods and services, financial services, education, healthcare and agribusiness.

---

## Investment Description

- US International Development Finance Corporation (DFC)

## Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
