Project Description

According to the Agency's document, this project provides financing to Alternativa 19 del Sur in order to finance the expansion of their micro-lending business (individual and group), and home improvement loans to support low-income, mainly women located in rural and semi-urban communities in Mexico.

Investment Description

- US International Development Finance Corporation (DFC)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
