## Project Description

According to bank documents, the project will cover up to $184 million of medium and long-term onlending to SMEs in Paraguay. It is expected to have a developmental impact in Paraguay by expanding the availability of growth capital for SMEs, especially for women-led and women-owned SMEs.

### Investment Description

- US International Development Finance Corporation (DFC)

### Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

- Banco Regional SAECA (Financial Intermediary)
