---

## Project Description

According to the Agency's document, this project provides financing for on-lending to small- and medium-sized enterprises in the clean cooking, health & water sectors with established carbon programmes through monetising impact credits.

## Investment Description

- US International Development Finance Corporation (DFC)

## Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
