Project Description

This project provides capital to microfinance institutions to provide microfinance loans to low income borrowers in Africa, the Middle East, Asia, Eastern Europe and Latin America, and will encourage private sector development.

Investment Description

- US International Development Finance Corporation (DFC)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
