## **Project Description**

According to bank documents, "This Project is expected to have a developmental impact through supporting the working capital of a growing food processing manufacturer in India. The Project is expected to have a strong development reach effects by sourcing an estimated 70% of the company's agricultural inputs from low-income smallholder farmers in underdeveloped districts of India. Furthermore, the Project expects to create over 450 employment opportunities for low-income individuals of which 40% are expected to be women."
