Project Description

According to the Agency's document, this project provides financing to the Solar Energy Transformation Fund in order to provide financing to companies operating along the solar off-grid value chain.

Investment Description

- US International Development Finance Corporation (DFC)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

- Solar Energy Transformation Fund LLC (Financial Intermediary)
