TC Programme for Project Preparation Support of Gender and Economic Inclusion Projects in the Corporate Sector

Project Description

According to the Bank's website, this project develops a new Technical Cooperation program to be implemented across all countries where the EBRD operates. This program will provide technical assistance for project preparation to improve access to economic opportunities for women, young people, populations in economically less developed regions, and other disadvantaged groups. The project preparation support will cover:

- Environmental, financial and technical due diligence
- Gender and economic inclusion due diligence and scoping assessments

The EBRD will be receiving these services.

Investment Description

- European Bank for Reconstruction and Development (EBRD)

No project-specific contact information available at time of writing.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at pcm@ebrd.com or you can submit a complaint online using an online form, http://www.ebrd.com/eform/pcm/complaint_form?language=en. You can learn more about the PCM and how to file a complaint at http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html.
