Status	Approved
Bank Risk Rating	U
Voting Date	2019-11-20
Sectors	Climate and Environment, Energy, Technical Cooperation
Investment Type(s)	Grant

Project Description

According to the Bank's website, this project provides technical assistance to improve the capacity of the Natural Reserves and Protected Areas to introduce and use biodiversity impact assessment tools and techniques and monitoring and conservation tools. This includes raising awareness with key stakeholders around the biodiversity issues and impacts of the hydrocarbon industry and marine transportation activities.

Investment Description

- European Bank for Reconstruction and Development (EBRD)

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at pcm@ebrd.com or you can submit a complaint online using an online form, http://www.ebrd.com/eform/pcm/complaint_form?language=en. You can learn more about the PCM and how to file a complaint at <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>.
