### Project Description

According to bank provided information, the EBRD, the Egyptian Ministry of Petroleum, and the state-owned oil and gas companies (EGAS, EGPC and their subsidiaries) have been cooperating over the years on a number of initiatives aimed at improving the energy efficiency and carbon sustainability of the oil & gas sector in Egypt. The parties are now starting a new cooperation Programme aimed at measuring and reducing methane fugitive emissions along the national infrastructure.

The proposed Programme, managed by the EBRD and in close cooperation with the Ministry of Petroleum, EGPC, EGAS, their subsidiaries and other relevant stakeholders will aim to:

- Undertake pilot measurement campaigns with ground and airborne emerging technologies at selected facilities owned and operated by the above relevant stakeholders.
- Improve accuracy of methane emissions measurement data.
- Introduce a robust inventory of methane emissions as well as procedures and templates for periodic reporting.
- Develop a roadmap for reducing methane emissions, comprising of technical and economic studies for actions, improvements and investments along the supply chain (upstream, midstream and downstream).
- Provide policy dialogue on the improvement of policies and regulations on methane emissions in the gas sector.
- Provide capacity building and training to the stakeholders on the Programme, its relevance, impacts as well as operational recommendations for a sustained continuation of the Programme by the stakeholders once the assignment is completed.

### ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at [pcm@ebrd.com](mailto:pcm@ebrd.com) or you can submit a complaint online using an online form, [http://www.ebrd.com/eform/pcm/complaint\\_form?language=en](http://www.ebrd.com/eform/pcm/complaint_form?language=en). You can learn more about the PCM and how to file a complaint at <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>.
