Project Manager of Climate Innovations in Ukraine, Belarus and feasibility study in Georgia - FINTECC

Project Description

According to the Bank's website, this project entails the selection and contraction of a programme manager to support climate innovations in Ukraine and Belarus through (i) assistance to participants of Climate Innovation Vouchers (CIV) Program in addressing institutional and technical barriers to renewable energy and (ii) deployment of the second phase of the Innovation Voucher scheme to address the financial barrier of entry into the sector.

Investment Description

- European Bank for Reconstruction and Development (EBRD)

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at pcm@ebrd.com or you can submit a complaint online using an online form, http://www.ebrd.com/eform/pcm/complaint_form?language=en. You can learn more about the PCM and how to file a complaint at http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html.
