Project Description

According to the bank website, the Government of Greece is currently considering a project as a Public-Private Partnership ("PPP") to utilise water and surface runoffs into a adam accompanied by the appropriate irrigation network for serving agricultural needs of the area which falls within the remit of the Municipalities of Pylou Nestoros and Messini. More specifically, the Project includes:

- The elaboration of the design of water mains of Lachanada and Militsa villages, as well as any supporting designs during the construction phase.
- The construction:
  - of the Minagiotiko dam;
  - of the irrigation network for the irrigation of an area of 35.000.000 m2;
  - of the accompanying roadworks:
    - restoration of parts of existing rural roads that are going to be flooded;
    - roads for access to the dam site, the main pumping station and around of the reservoir; and
    - small sections for the access along water ducts.
  - of the accompanying quarries and depot areas with the necessary accesses;
  - of the water mains of Lachanada and Militsa.
- The implementation of an Information Management System and remote control.
- The maintenance and operation of the irrigation network for up to 21 years.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at: http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html
