Waste Management PPPs in South Aegean and North Aegean and
Eastern Macedonia-Thrace

Quick Facts

Countries	Greece
Financial Institutions	European Bank for Reconstruction and Development (EBRD)
Status	Approved
Bank Risk Rating	U
Borrower	Government of Greece
Sectors	Infrastructure, Water and Sanitation

Project Description

According to the Bank's website, the Project concerns the necessity of conducting two pre-feasibility studies for two PPPs one in the South Aegean and the other in the North Aegean and East Macedonia and Thrace for the implementation of waste management infrastructure.

Currently, islands are relying mainly in landfilling their municipal solid waste or in some cases there still are illegal dumpsites for which the Municipalities are paying fines. The lack of suitable waste management facilities implies failure to achieve the objectives of the essential environmental domestic and EU legislation.

The purpose of these pre-feasibility studies is for the benefit of the Contracting Authorities, namely the Regional Waste Management Bodies, to successfully be able to apply to the Inter-Ministerial Committee for approving of the availability payments.

The proposed waste management setup according to the Regional Waste Management Plans include the implementation of Material Recovery Facilities (MRFs), Bio-waste Treatment Facilities, Waste Transfer Stations, Waste Pre-treatment Facilities at selected sites of the subject regions.

Investment Description

- European Bank for Reconstruction and Development (EBRD)

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:

http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
