### Project Description

According to the Bank's website, this Project aims to establish a joint programme in Public Procurement that will consist in a Master's degree obtained at the University of Rome Tor Vergata and the Ukraine's State University of Trade and Economics. The programme will build capacity for procurement professionals managing Ukraine's urgent priority and reconstruction projects with up to 30 scholarships per academic year. The programme is proposed for the initial period of 2024-2027 (3 academic years).

The need for capacity building as one of the means to promote efficiency of public procurement in Ukraine, has been recognised by both the Ukrainian authorities and its international partners. The Memorandum of Intent on preferred procurement approach in Ukraine signed by the Presidents of the Council of Europe Development Bank, EBRD, European Investment Bank and the World Bank in October 2023 and subsequent Joint Ukraine-Multilateral Development Banks Roadmap for Strengthening Public Procurement System, as well as the Memorandum of Understanding between EBRD and the World Bank Group signed in April 2024, all include capacity building in procurement and contract management and professional procurement as one of the key workstreams.

The Project will enhance the capabilities of Ukrainian government authorities, local governments, and state-owned enterprises in effectively procuring and managing urgent infrastructure and recovery projects funded by international donors and state/regional budgets. The Project's primary goal is to address the challenges faced by Ukrainian public procurement managers, especially in its recovery efforts, by enhancing the country's capacity to implement efficient procurement management.

### ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: [pcm@ebrd.com](mailto:pcm@ebrd.com) or you can submit a complaint online using an online form at:  
[http://www.ebrd.com/eform/pcm/complaint\\_form?language=en](http://www.ebrd.com/eform/pcm/complaint_form?language=en)
