Project Description

PROJECT DESCRIPTION

The EBRD is considering establishing a sovereign framework of up to EUR20 million to co-finance with international donors priority water and wastewater rehabilitation sub-projects across the Kyrgyz Republic. The framework envisages sovereign loans that would be on-lent to the water companies involved as appropriate and would address urgently needed water and wastewater infrastructure rehabilitation needs.

TRANSITION IMPACT

Transition Impact of the sub-project would be:

THE CLIENT

Government of the Kyrgyz Republic.

EBRD FINANCE

The proposal is for a loan of EUR3.0 million to the Kyrgyz Republic on-lent to the Osh Water Company.

PROJECT COST

The total sub-project cost is EUR8.8 million including TCs. The sub-project will be co-financed by SECO.

ENVIRONMENTAL IMPACT

Osh Water and Wastewater sub-project has been categorised B under the 2008 Environmental and Social Policy. An Environmental and Social Review of the Osh Water Company's current EHSS management practices, operations and facilities, and an Environmental and Social Analysis of the proposed Priority Investment Programme (PIP) were carried out as part of the Feasibility Study by independent consultants.

TECHNICAL COOPERATION

Pre-signingJoint Feasibility Study for Osh and Jalalabad Water and Wastewater sub-projects: Preparation of a financial, technical, environmental feasibility study for the sub-projects, including an economic rate of return analysis of the proposed investment, operational review and recommendations for improvements, a brief municipal credit update, and an Environmental and Social Action Plan. (EUR 600,000, funding provided by the EBRD Shareholders' Special Fund).

Contact Information

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at pcm@ebrd.com or you can submit a complaint online using an online form, http://www.ebrd.com/eform/pcm/complaint_form?language=en. You can learn more about the PCM and how to file a complaint at http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html.
