Project Description

TRANSLATED VERSION OF THIS PSD:RUSSIAN

Translated version of this PSD:

PROJECT DESCRIPTION

In 2011 the EBRD established a sovereign framework of up to EUR 20 million to co-finance with international donors priority water and wastewater rehabilitation projects across the Kyrgyz Republic. Under the framework the Bank provides sovereign loans, on-lent or on-granted to participating water companies. The sub-projects address urgently needed water and wastewater infrastructure rehabilitation needs. The original framework is now fully subscribed and the Bank is considering extending the facility with EUR 20 million.

SUB-PROJECTS

Sub-projects under the original Framework

TRANSITION IMPACT

Transition Impact of the extended framework would be:

THE CLIENT

Government of the Kyrgyz Republic

EBRD FINANCE

The EBRD loans under the extended framework would be provided to the Kyrgyz Republic and on-lent or on-granted to participating cities for the benefit of participating water companies.

PROJECT COST

Framework extension: EUR 20 m to be co-financed by international donors. The sub-project cost for each individual city to be determined.

ENVIRONMENTAL IMPACT

The Framework includes municipal projects that will facilitate critical improvements in selected water supply and wastewater treatment services in several cities across Kyrgyzstan. The projects under the Framework will help to reduce the environmental and health hazards posed by unreliable water supply and inadequate quality of the wastewater treatment, improve resilience to climate change, and overall enhance the quality and reliability of the key municipal services. The Environmental and Social Due Diligence ("ESDD") for each project will be carried out by independent consultants as part of the

Contact Information

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at pcm@ebrd.com or you can submit a complaint online using an online form, http://www.ebrd.com/eform/pcm/complaint_form?language=en. You can learn more about the PCM and how to file a complaint at <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>.
