Project Description

TRANSLATED VERSION OF THIS PSD:UKRAINIAN

Ukrainian

PROJECT DESCRIPTION

The EBRD is considering providing a loan to the Lviv Communal Enterprise "Lvivvodokanal", a municipally owned water and wastewater utility operating in the city of Lviv, to finance the rehabilitation and upgrade of the wastewater treatment infrastructure, as well as the installation of a biogas production capacity in the City (the "Project"). The project aims at improving wastewater treatment in Lviv, reducing the pollution discharged into the Poltva River (the Baltic Sea Basin), enabling the City to reduce greenhouse gas emissions and achieving significant energy saving by installing the biogas production capacity.

TRANSITION IMPACT

The transition impact of the project is expected to derive from:

THE CLIENT

Lviv Communal Enterprise "Lvivvodokanal", a municipally owned water and wastewater utility operating in the city of Lviv.

EBRD FINANCE

EUR15 million EBRD loan to the Company, secured by a municipal guarantee of the City.

PROJECT COST

Up to EUR31.5 million.

ENVIRONMENTAL IMPACT

Categorised B. The environmental and social impacts associated with the modernisation of the wastewater infrastructure and construction of the biogas plant on the existing facilities are expected to be mainly positive and result in significant environmental benefits, upgrade of service quality, improvements in energy efficiency and reduction of greenhouse gases. Any potential adverse impacts are likely to be site-specific and can be readily identified and addressed through mitigation measures. Potential environmental and social issues can include standard EHS construction risks, disruptions to waste water services during the modernisation programme and air emissions related biogas plant operation.

Contact Information

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at pcm@ebrd.com or you can submit a complaint online using an online form, http://www.ebrd.com/eform/pcm/complaint_form?language=en. You can learn more about the PCM and how to file a complaint at <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>.
