PROJECT DESCRIPTION

The EBRD is considering providing a senior loan of up to EUR 13 million to the Public Utility Company Belgrade Water and Sewerage (the "Company"). The loan proceeds will be used to finance the Company's priority investments in water supply, including construction of a dual pipeline that will feed raw water from the Sava River to the Makis Water Treatment Plant, cleaning of a settling tank where the dual pipeline will be placed, and construction of a 4.8km long pipeline that will transfer water from the Makis catchment area to Banovo Brdo Water Treatment Plant, as well as other priority investments.

TRANSITION IMPACT

The transition impact potential of the Project arises from:

THE CLIENT

Public Utility Company Belgrade Waterworks and Sewerage is the sole company providing potable water in Serbia's capital. Its key responsibilities are water collection, treatment and distribution, as well as wastewater collection and discharge.

EBRD FINANCE

Up to EUR 13 million loan to the Public Utility Company Belgrade Waterworks and Sewerage.

PROJECT COST

Up to EUR 13 million.

ENVIRONMENTAL IMPACT

Categorised B. The Project will provide substantial environmental and health benefits for the city of Belgrade by strengthening the accessibility to high quality drinking water supply in accordance with relevant EU standards.

TECHNICAL COOPERATION

EBRD will mobilise funds from donors to support the following technical cooperation:

Contact Information

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at pcm@ebrd.com or you can submit a complaint online using an online form, http://www.ebrd.com/eform/pcm/complaint_form?language=en. You can learn more about the PCM and how to file a complaint at http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html.
