---

## Project Description

This project finances Kyzylorda Tazalygy in developing a modern integrated mechanical-biological treatment facility in Kyzylorda based on "waste-to-energy" technology, constructing a new sanitary landfill and procuring waste collection and transportation equipment including containers, vehicles and special equipment for the facilities' operations.

The project will be developed in two phases.

---

## Investment Description

- European Bank for Reconstruction and Development (EBRD)

LLP Kyzylorda Tazalygy, a municipal company fully-owned by the Akimat of the city of Kyzylorda responsible for solid waste management and street cleaning services in the city of Kyzylorda and its vicinity.

### ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at [pcm@ebrd.com](mailto:pcm@ebrd.com) or you can submit a complaint online using an online form, [http://www.ebrd.com/eform/pcm/complaint\\_form?language=en](http://www.ebrd.com/eform/pcm/complaint_form?language=en). You can learn more about the PCM and how to file a complaint at <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>.
