## Project Description

This involves a EUR 5 million sovereign loan to the Republic of Belarus for the construction of the first EU regulations compliant regional landfill in the country and related infrastructure.

The proceeds of the loan and the grant will be used to finance the upgrade of a solid waste management system in the Puhovichi and Cherven Districts through i) the construction of an EU regulations compliant landfill, ii) a waste sorting facility, and iii) vehicles and equipment for improvement of the waste collection system.

EBRD will seek to co-finance the Project with an investment grant from an international donor.

## Investment Description

- European Bank for Reconstruction and Development (EBRD)

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at pcm@ebrd.com or you can submit a complaint online using an online form, http://www.ebrd.com/eform/pcm/complaint_form?language=en. You can learn more about the PCM and how to file a complaint at http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html.
