---

## Project Description

This project finances the rehabilitation and upgrade of facilities at the Port of Brcko, and the optimization of road and railway access to the Port.

In particular, this project will improve operational efficiency of the Port and increase cargo handling capacity, in addition to making improvements to the efficiency and safety of rail operations in Brcko.

---

## Investment Description

- European Bank for Reconstruction and Development (EBRD)

This loan will be extended in 2 tranches of EUR7 million and EUR3 million.

### ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at [pcm@ebrd.com](mailto:pcm@ebrd.com) or you can submit a complaint online using an online form, [http://www.ebrd.com/eform/pcm/complaint\\_form?language=en](http://www.ebrd.com/eform/pcm/complaint_form?language=en). You can learn more about the PCM and how to file a complaint at <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>.
