---

## Project Description

This project provides additional financing for phase two of the construction and operation of the Banie wind farm located in northwestern Poland, consisting of an additional 56MW of new renewable energy capacity.

---

### Investment Description

- European Bank for Reconstruction and Development (EBRD)

Wiatromill Sp. z o.o. is a private limited liability special purpose company incorporated in Poland which was created to own, construct and operate the Banie wind farm. Wiatromill is fully owned by Energix Renewable Energies Ltd. Energix is a leading Israeli independent renewable energy producer listed on the Tel Aviv Stock Exchange. It was established in 2009 and specializes in the development, construction and operation of renewable energy assets (including solar photovoltaic plants and wind farms).

### ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at [pcm@ebrd.com](mailto:pcm@ebrd.com) or you can submit a complaint online using an online form, [http://www.ebrd.com/eform/pcm/complaint\\_form?language=en](http://www.ebrd.com/eform/pcm/complaint_form?language=en). You can learn more about the PCM and how to file a complaint at <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>.
