Project Description

EBRD has acquired an equity stake in the Greek insurance company European Reliance General Insurance Company S.A. ("European Reliance") from Piraeus Bank S.A. representing 15 per cent of European Reliance's total share capital.

With this investment, the EBRD is supporting the future development of European Reliance and facilitating the restructuring efforts of Piraeus Bank S.A.. The Greek insurance market is less advanced compared to other EU markets and the EBRD is therefore planning a long-term engagement with European Reliance.

Early Warning System Project Analysis

The EBRD categorized the project risk as 'FI'.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at pcm@ebrd.com or you can submit a complaint online using an online form, http://www.ebrd.com/eform/pcm/complaint_form?language=en. You can learn more about the PCM and how to file a complaint at <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>.
