Investment Description

- European Bank for Reconstruction and Development (EBRD)

AKSA ENERJİ ÜRETİM A.Ş., established in 1997, is the third largest independent power producer in Turkey and the largest listed on Borsa İstanbul.

The client is a member of Kazancı Holding, a diversified conglomerate founded in the 1950s, with activities in agriculture, energy and tourism. Kazancı is also a leading player in the Turkish natural gas distribution market. In this respect, Aksa Enerji benefits from strengthening its cooperation with the other companies of the holding. As such, Kazancı Group companies carry out their operations in synergy with each and every link of the energy value chain, from production to distribution.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at pcm@ebrd.com or you can submit a complaint online using an online form, http://www.ebrd.com/eform/pcm/complaint_form?language=en. You can learn more about the PCM and how to file a complaint at <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>.
