Project Description

This project is provided as an unfunded risk sharing instrument under the EBRD Albania Agribusiness Support Facility. The financing will cover up to 50% of the aggregate amount of a portfolio of up to EUR 60 million outstanding eligible agribusiness loans.

This project supports Societe Generale Albania in providing financing to the agribusiness sector in Albania, to promote sustainable lending and enhance access to finance for the sector.

Early Warning System Project Analysis

The EBRD categorized the project risk as 'FI'.

Investment Description

- European Bank for Reconstruction and Development (EBRD)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

- [OTP Bank Albania](#) (Financial Intermediary)

Private Actors Description

As stated by the EBRD, Societe Generale Albania is a universal bank that provides a wide range of banking products and services to corporate, SME and retail customers. It operates a network of 36 branches, covering all the main urban areas of Albania. In its years of operation, Societe Generale Albania has recorded a significant growth and today the bank is the 6th largest bank in the country by total assets.

OTP Bank Albaia acquired a controlling stake in Societe Generale Albania.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at pcm@ebrd.com or you can submit a complaint online using an online form, http://www.ebrd.com/eform/pcm/complaint_form?language=en. You can learn more about the PCM and how to file a complaint at <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>.
