<b>Project Cost (USD)</b>	\$ 5.00 million

---

### Project Description

A sustainable energy ("SE") loan of up to USD 5 million under the Mongolian Sustainable Energy Financing Facility ("MonSEFF") to Khan Bank for financing sustainable energy projects in Mongolia. The Project will promote SE financing, technologies and renewable energy investments in the industrial sector of Mongolia through one of leading local banks, demonstrate innovative products and processes to the market and contribute to the transfer of skills via dedicated technical cooperation (TC).

The Project facilitates financing of SE investments for industrial clients, thus contributing to green economy transition through climate change mitigation, climate change adaptation, and wider environmental areas.

## ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at [pcm@ebrd.com](mailto:pcm@ebrd.com) or you can submit a complaint online using an online form, [http://www.ebrd.com/eform/pcm/complaint\\_form?language=en](http://www.ebrd.com/eform/pcm/complaint_form?language=en). You can learn more about the PCM and how to file a complaint at <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>.
