Investment Type(s)	Loan
Investment Amount (USD)	$ 22.27 million
Loan Amount (USD)	$ 22.27 million
Project Cost (USD)	$ 22.27 million

Project Description

According to EBRD website, the Green Boulevard forms part of the programme of reconstruction and modernisation of tram tracks and streets in Belgrade, which has been ongoing for much of the past 15 years. As identified in the SMART Plan, this programme responds to the need for improvement of the existing streets, integrating improvements to traffic speeds by coordination of traffic signalling and prioritisation of tram (and in future, bus) traffic. The main objectives are: (i) renovation of tram tracks in central Belgrade to allow new trams to operate, and (ii) rehabilitation and expansion of the City's main roads to secure a better and safer traffic flow.

Investment Description

- European Bank for Reconstruction and Development (EBRD)

Office Address: City of Belgrade Secretariat for Investment Trg Nikole Pasica 6 11000 Belgrade Serbia

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at pcm@ebrd.com or you can submit a complaint online using an online form, http://www.ebrd.com/eform/pcm/complaint_form?language=en. You can learn more about the PCM and how to file a complaint at http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html.
